The 13th South of the Border Fun in the Sun **International Open Championship**

High Desert Pod moved the “13th South of the Border Fun in the Sun International Open Championship” to Benson, Arizona from Rocky Point, Mexico. The cook-off was held at the Gas City parking lot with plenty of room for RVs and cook sites. Dick Weber, General Manager, provided camping spaces, tables and garbage collection. Over 40 cooks came to sunny warm Arizona to cook the pot of red!

Friday night HDP hosted a fish fry for everyone to enjoy. Thank you to Ted Fichtl, Tom Edwards, Mack Borker and Mark Swartzell for cooking a spectacular dinner!

Saturday Nancy Klug made the most wonderful Mexican Shrimp cocktails! All donations for the shrimp cocktails went to the charity, Rocky Point Elementary School. In all the cook-off raised \$780.00 for the school. A big pat on the back to all that help put the cook-off on!
